**LICENSED MATERIALS (describe briefly):** \_\_\_\_\_

I grant WGBH the rights to:

(a) make still photos and audiovisual recordings of the Licensed Materials;

(b) use those photos and recordings, in whole or in part, in a WGBH project entitled "Forum Network" and all iterations of Forum Network distributed through public television stations and distribution partners (the "Project"), and its related materials, including (by way of example only) advertising and promotion of the Project, its distributors, and partners (including, but not limited to, WGBH, PBS, NPR and CPB); and

(c) exhibit, distribute, market, advertise, promote and sell the Project and all related materials, and authorize others to do so, in all forms of media now known or subsequently developed, throughout the world in perpetuity, including, without limitation, television, radio, cassettes and DVDs (and their packaging), and the Internet.

I acknowledge that WGBH or its designees shall own the copyright in the photos and recordings described above as well as the Project and related materials (however, I shall retain ownership of the Licensed Materials); and that WGBH is not obligated to use any photos or recordings of the Licensed Materials in the Project or otherwise.

I promise that I either own the Licensed Materials or have the right to give them to WGBH for the purposes stated above and that my doing so will not violate anyone else's rights.

I release WGBH and its designees from any claims that I have or may have relating to the photos, recordings, Project, and related materials referred to above.
